Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image recording apparatus comprising storing means for storing the state of sheet discharge ports to be observed by observing the state of each of the sheet discharge ports; second notifying means for notifying a data processing apparatus of the state of an abnormal sheet discharge port if an abnormality in the state of each sheet discharge port stored in the storing means exists; and third notifying means for notifying the data processing apparatus of information of the sheet discharge port to which said printing job is outputted at the time of finishing processing of said printing as claimed in claims 10, 20, and 23, and a data processing apparatus, method, and computer readable medium that contains a first transmitting means for transmitting first data for requesting management information, an obtaining means for obtaining management information, display controller means for displaying a screen based on the management information, and a second transmitting means for transmitting second data that includes an instruction to distribute printing data, respectively, as set forth in claims 24, 32, and 33 including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
